

Title of the Project/Presentation/Research

Student Name, Program of Study, Institution
Field Site, Field Supervisor, Academic Supervisor

INTRO

- Briefly give the context for the gap you're filling

METHODS

1. N = ###,
2. Collected this
3. Tested with X statistical test

RESULTS/MAJOR FINDINGS

- Graph/table or bullet points with essential results only.
- All "extra" correlations, etc. in the side bar on the right.

DISCUSSION

- "If this result actually generalized and I didn't have to humbly disclaim the possibility of a thousand confounds and limitations, it would imply that...."

FINANCIAL DISCLOSURE (if relevant)

- List all funders who provided support for this research

Keep font size above 36 for the side panels if possible; do not go below 28) and at least 72 for the main finding, which can be as large as 150

Main finding goes here, translated into plain English. Emphasize the important words.

Additional info or a supportive sentence that further explains something here.

Delete this and replace it with your...

- Things you want to be able to point to when people ask you questions.
- Extra graphs, tables, figures or visuals
- Extra nuances that you're worried about leaving out.

HERE IS A HEADING IN CAPS

1. Item one
2. Item two
3. Third item
